ABOUT THE EVENT

Over the last 16 years, the Barrington Wine Classic has established itself as one of Northeast Ohio's premier wine events.

From its unlimited selection of first-class wines from Napa Valley and around the globe, gourmet food tastings from local celebrity chefs, stunning fireworks display, and the private and picturesque backdrop of the Barrington Golf Club, the event has become a must-attend on the calendar for wine enthusiasts, all while benefiting a local charity.

This is certainly the perfect event to share with your friends, business partners and clients.

"The wine selection was unlimited and out of this world. I kept hearing people say they were going to one specific table to fill up on the Caymus, and I wanted to politely tell them that didn't even touch on what was the best wine there! The selection was that good. If wine wasn't your thing, then maybe the lobster claws, oyster shucking, sushi, pastas, mini Nutellas, and a million different meat options were. The food and it's presentation were fabulous and I couldn't decide to fill up on wine or food. I wish I could have tried it all!"

ABOUT THE BENEFICIARY

To the growing number of adults, children and veterans with physical disabilities who know it best, The Turn is more than a place or a program...it is a purpose.

For nearly two decades, The Turn has been on the forefront of providing non-clinical, adaptive fitness and recreational opportunities to improve the health and wellness of people with physical disabilities in Northeast Ohio, offering programs, services, facilities and equipment largely unmatched anywhere in the region.

By focusing on what participants can do versus what they cannot, our innovative programs and services not only provide increased mobility and muscle strength, but, most importantly, offer a sense of community, friendship, and freedom that lends itself to enhanced self-esteem and the alleviation of depressive symptoms. Ultimately, this combination of mental and physical health and wellness allows those with disabilities to make “the turn” to the next chapter of their lives with confidence. For those who have already undergone extensive medical treatment to address their physical conditions, The Turn helps them answer the question of “What now?” and allows them to see a path forward beyond – and in spite of – their disability.

ABOUT THE DISTRIBUTOR

For over 80 years, Heidelberg has been a family-owned distributing company in the business of marketing and delivering the highest-quality beer, wine, spirits and other beverages to more than 26,000 retail establishments throughout Ohio and Kentucky. Heidelberg is operated by 3rd and 4th generations of the Miller and Vontz families. Heidelberg founder Albert W. Vontz, a trained brewer, was from Hanover, Germany. In 1907, at the age of 22, he arrived in Cincinnati and immediately invested in two local taverns. He helped open the Vienna Brewery in 1933, then invested in the Dayton delivery branch of Heidelberg Brewery, based in Covington, Kentucky. Vontz named the operation Heidelberg Distributing Company and kept the name after the brewery closed in 1946.

Albert's only child, Albert W. Vontz Jr., became active in the business in 1947. With his graduate degree in economics from the University of Cincinnati, Al looked for opportunities to expand Heidelberg Distributing. Wine products became a large part of operations in the 1950's. Purchase of the Cincinnati Anheuser-Busch branch in 1959 and the Dayton Budweiser distributorship in 1961 further expanded the business. Celebrating the company's 70th anniversary in 2008, Heidelberg purchased the stock of the high-end wine marketing firm, Wine Trends, as well as Goodman Beverage and Mid-Ohio Wines. Through mergers, acquisitions and industry consolidation, Heidelberg now has facilities in Dayton, Cincinnati, Evendale, Cleveland, Toledo, Columbus, Lorain and Covington, Kentucky.

Thank you to Heidelberg for their contributions to make the Barrington Wine Classic possible!
