

7th Annual

Pancakes for a Purpose

Benefiting

VIRTUAL FUNDRAISER THANKSGIVING DAY

*In partnership with Yours Truly Restaurant
and RPM International, Inc.*

CHANGING COURSE. IMPROVING LIFE.

For over 20 years, The Turn has provided adaptive wellness to adults, children, and veterans with physical disabilities. The Turn offers non-clinical, health-promoting, adaptive fitness and recreation opportunities at our fully accessible fitness facilities and outdoor golf course in North Olmsted. over 200 individuals find solace and support, forging a vibrant community centered around resilience and triumph. The physical disabilities include multiple sclerosis, amputation, traumatic brain injury, post-stroke complications, visual impairment, cerebral palsy, Parkinson's disease, and more. One of the most popular activities at The Turn is adaptive golf. Under the guidance of skilled instructors, members learn to adapt their swings and techniques to their specific abilities. New players or returning golfers can play adaptive golf. The game of golf has become a symbol of resilience and determination.

Pancakes for a Purpose fundraiser 2026 will be held virtually in November. As a local neighbor, you can support the Turn by donating throughout the holiday. The funds raised will support extracurricular programs at The Turn for our members. Without friends like you, it would be impossible for us to conduct our mission effectively.
